The Honorable Paul E. Opsommer
Chairman, House Committee on Transportation
Lansing, Michigan 48909

Dear Representative Opsommer and members of the committee:

I support the House Bill 4978 and Senate Bill 534. With the list of potential recipients getting longer and the economic climate of the past few years, it is very important that potential donors be reached in as many ways as possible to increase the pool of donors. By allowing for monies to be raised through a Donate Life License Plate with the funds going into the Life Fund, not only are we raising awareness of the need for donors, but we are creating revenue for the donor registry allowing it to continue in its good work. I hope to see full support of both of these bills.

Sincerely,
